

HIPAA Privacy Statement

WellMed Medical Practice, Inc. and its affiliated entities is obligated to protect the privacy of individual information in accordance with the Health Insurance Portability and Accountability Act ("HIPAA") and its implementing regulations. This document describes the policies and procedures related to privacy and security of individually identifiable health information ("IHI"). Employees, contractors, and other personnel are required to read, understand, and follow this document. These policies and procedures are intended to ensure that the minimum necessary information is collected, stored, used, and disclosed and requests of protected information ("PHI") to the extent necessary to accomplish the purpose of the use, disclosure or request.

It is the policy of the organization to protect the privacy of the individual. You hereby agree to warrant the confidentiality of PHI that you access by this system. In addition, you agree to abide by privacy and security laws and regulations issued by the United States Department of Health and Human Services under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all security, privacy and security notification provisions under the Health Information Technology for Economic and Clinical Health Act ("HITECH") which is a part of the Affordable Care Act ("ACA") of 2010.

If you are the medical practice owner or authorized representative of the owner, you are responsible for managing access to your staff. This includes both the review of current users and granting access when a new staff member is added. You are responsible for ensuring that you have any questions please reach out to portal@portalapp.com or wellmed.net.
